Dear Sir:

Your letter of March 14th just received.

I want to thank you for your interest and assistance in locating rooms for the Ball Club. As I told you in my last letter the Club Manager, Mr. Dick Lundy, will arrive about the 24th with the pitchers. I think it might simplify matters if he makes arrangements at that time for the place for them to eat. I would, of course, prefer making arrangements by the week for the entire group. If in the meantime you make any contact that you think would be good for us to accept, I would appreciate having you write me to that effect.

You spoke of arranging a training schedule. It is getting very late now and games should be arranged by this time. I have booked to play in Miami, Fla. Easter Sunday and Monday.

Mr. Posey will no doubt contact you about the Eagles and Grays playing in Daytona Beach. If there are any dates that you would like very definitely, you had better let me know at once so I can hold them open, as I am of course trying to arrange a profitable schedule.

I will write you again if any new developements.

Yours very truly,
